SALON 2026

Exhibition

Gosford Regional Gallery is delighted to present our first-ever Salon Exhibition, showcasing and celebrating local artists.

We opened the doors to our community, to be part of the exhibition, with no judges, no selection panel and no theme. We had three conditions: artists must live on the Central Coast, the artwork must have been made in the past 6 months and works must not be more than 1 metre by 1 metre.

What you see today is the diversity of creativity in our region.

The Salon idea is inspired by the Paris Salon which began in 1667 to showcase the artworks of the Royal Academy of Painting and Sculpture. Held in the Louvre's Salon Carré. Artworks were hung frame to frame, floor to ceiling, showcasing hundreds of works: a style now known as the 'salon hang'.

All artwork in the SALON 2026 exhibition is for sale.

Work can be purchased at the Gallery Shop in the Gosford Regional Gallery foyer. Artwork purchased can be collected on Tuesday 5 May.
